

Steps to Health Educator Feedback

Name: _____

County: _____

Date: _____

Color Me Healthy for SNAP-Ed

Please describe students' receptiveness to the program. Teachers'?

What could you add or did you add to enhance delivery of the program (food, props, games, books, music, etc.)?

How do you feel the parent handouts could be more beneficial to participants and their families?

How might we reach parents and families in addition to the parent handouts and extenders already in the curriculum?

Additional comments or suggestions?
