Teacher Support to Promote Success

- Inform the Educator of food allergies or other situations that may impact the learning environment.
- Encourage participation and good behavior.
- Model positive eating and physical activity.
- Remain in classroom during lessons.
- Assist as needed.
- Report changes in students' eating and physical activity on the Teacher Feedback Form.

2nd Grade Educator Responsibilities

- Teach nine 30- to 45-minute lessons.
- Model positive eating and physical activity.
- Provide students with educational reinforcement materials.
- Provide taste test for each lesson.
- Provide parent handouts.
